Independent Auditor's Report

To the Board of Directors Southeastern Housing and Community Development Barnwell, South Carolina

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of Southeastern Housing and Community Development (the "Organization"), which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Southeastern Housing and Community Development as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of Southeastern Housing and Community Development and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note O to the consolidated financial statements, on June 28, 2024 the Organization was awarded \$277,297 from a legal trial. Subsequently, several motions were filed, including a motion for a new trial and request to overturn the verdict awarding \$277,297 to the Organization. All parties have until January 25, 2025 to file orders related to the motions. Our opinion is not modified with respect to this matter.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

brc.cpa Page 1

Responsibility of Management for the Financial Statements (Continued)

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeastern Housing and Community Development's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southeastern Housing and Community Development's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeastern Housing and Community Development's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position - by property, and activities and changes in net assets - by property are presented for purposes of additional analysis and are not a required part of the consolidated financial statements.

Supplementary Information (Continued)

The accompanying schedule of expenditures of federal awards, is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 16, 2025, on our consideration of Southeastern Housing and Community Development's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Southeastern Housing and Community Development's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Southeastern Housing and Community Development's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Southeastern Housing and Community Development was organized as a not-for-profit corporation that provides rental housing to low and moderate income tenants. Southeastern Housing and Community Development's mission includes engaging in meaningful, sustainable community development and community economic development. Southeastern Housing and Community Development owns and operates apartment complexes, single-family homes and a woodworks warehouse located in the Southeastern area of South Carolina. Through its homeownership program, Southeastern Housing and Community Development purchases single-family properties in need of repair, renovates them, and sells them to first-time homebuyers. Southeastern Construction and Development, LLC was formed in October 2003 as a limited liability company for the purpose of development and construction of low and moderate income housing.

Principles of Consolidation

The consolidated financial statements include the accounts of Southeastern Housing and Community Development and its wholly-owned subsidiary, Southeastern Construction and Development, LLC, collectively referred to as the "Organization." Additionally, the rental real estate projects and divisions of Southeastern Housing and Community Development, LLC have been segregated for presentation purposes in the consolidating statements. All material inter-company transactions have been eliminated.

Principles of Reporting

The consolidated financial statements are reported on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions or with donor restrictions, depending on the existence and/or nature of grant-imposed restrictions. Net assets without donor restrictions are those funds presently available for use by the Organization at the discretion of the Board of Directors. Net assets with donor restrictions are subject to donor imposed restrictions or may be used only for the purposes specified by the donor or funds which have permanent restrictions.

Changes in Financial Accounting and Reporting

On June 16, 2016, the Financial Accounting Standards Board (FASB) issued an Accounting Standards Update (ASU) 2016-13, *Credit Losses*, which changes how entities are required to measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change from this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Organization that are subject to the guidance in FASB ASC 326 are accounts receivable and notes receivable.

Notes to Consolidated Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Changes in Financial Accounting and Reporting (Continued)

The Organization adopted the standard effective July 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures.

A summary of the Organization's significant accounting policies follows:

Cash, Cash Equivalents, Restricted Cash and Funded Reserves

For purposes of reporting the consolidated statements of cash flows, the Organization includes all cash investments and certificates of deposit with a maturity of three months or less as cash, cash equivalents, restricted cash and funded reserves. Restricted cash includes reserves, tax and insurance escrow accounts and tenant security deposits.

Receivables

Receivables include accounts receivable at total unpaid balances for unpaid rent from tenants, net of any allowance for credit losses, amounts receivable from grants, and other miscellaneous receivables, including rental assistance receivable. The Organization determines past due status of individual receivables based on the contractual terms. The Organization estimates its allowance for credit losses based on a combination of factors, including management's knowledge of the current composition of receivables, historical losses, existing economic conditions and reasonable and supportable forecasts about the future ability to collect on the receivables. The Organization determines its allowance based on the dollar amount of the accounts older than 60 days. Receivables that management believes to be ultimately not collectible are written off upon such determination. At June 30, 2024 and 2023, management established an allowance for credit losses of \$137,153 and \$130,354, respectively.

Revenue Recognition

Rental income is recognized as rents become due. Rental payments secured in advance are deferred until earned. All leases between the Organization and the tenants are short-term operating leases.

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move-out are charged with damages or cleaning fees, if applicable. Tenant receivables consist of amounts due for rental income, security deposit or the charges for damages and cleaning fees. The Projects do not accrue interest on the tenant receivable balances.

Revenue from government and other grants is recognized as it is earned through expenditure in accordance with the agreement. Certain grantors require expenditure for specified activities before reimbursing the Organization for the costs incurred and other grantors pay in advance of incurring the specified costs. The amount received in excess of amounts spent on reimbursable costs is reported as unearned program revenue. Direct expenses of contracts and grants are charged to programs when incurred.

Contributed services are only recorded if they meet the requirements for recognition (such as if they require specialized skills). These requirements are outlined in FASB ASC 958-605-25-16, "Contributed Services". No amounts have been reflected in the accompanying consolidated financial statements for contributed services since the requirements for recognition were not met. Donated materials are reflected as in-kind contributions in the accompanying consolidated financial statements at their estimated fair market value at date of receipt.

Notes to Consolidated Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

Grant revenue is recognized when the qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants.

The Organization recognizes revenue on construction contracts when control of the constructed asset is transferred to the customer at a point in time, which generally occurs upon substantial completion of the project and final acceptance by the customer. The Organization does not have any significant financing components or significant variable consideration such as discounts, allowances and returns. Furthermore, all material contracts completed are inter-company activity and revenues are eliminated.

Contracts in progress represent costs in excess of amounts billed and are classified as current assets. Uncompleted contracts related to the Neighborhood Initiative Program are not classified as current due to the related litigation as discussed in Note O. Contracts in progress related to the Neighborhood Initiative Program are \$129,710 and \$129,710 for June 30, 2024 and 2023, respectively. Contract liabilities represent billings in excess of costs on uncompleted contracts.

Property and Equipment

Property and equipment are depreciated using the straight-line method over their estimated useful lives ranging from 5 years for equipment to 30 years for buildings. The Organization has established a capitalization threshold of \$5,000. All equipment purchases below this threshold are expensed in the period incurred and reflected as expense. Also, included in property and equipment is construction in process, which represents renovation projects in process, and is stated at cost.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

Real Estate Held for Development

In accordance with ASC 970, Real Estate - General, the direct costs related to acquisition, development, construction, selling and initial rental (up to the point of normal operations) of real estate projects are capitalized as real estate held for development. Indirect costs of real estate projects that can be identified with specific projects under development or construction are also capitalized as real estate held for development.

Properties Held for Resale

Inventory of properties held for resale consists of single family homes acquired through state grants, donations or mortgages. Inventory of the properties held for resale are recorded at the lower of cost, net realizable value or donated value.

Impairment of Long-Lived Assets

The Organization reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount to the future net undiscounted cash flow expected to be generated and any estimated proceeds from the eventual disposition.

Notes to Consolidated Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Impairment of Long-Lived Assets (Continued)

If the long-lived assets are considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount exceeds the fair value as determined by an appraisal, discounted cash flows analysis or other valuation technique. There were no impairment losses recognized for the years ended June 30, 2024 and 2023.

Mortgage Issuance Costs

Mortgage issuance costs, net of accumulated amortization, are reported as a contra-liability of the obligation to which such costs relate. Amortization of mortgage issuance costs is reported as a component of interest expense and is computed using the straight-line method over the life of the loan. Accounting principles generally accepted in the United States of America require that the interest method be used for amortizing mortgage issuance costs; however, the effect of using the straight-line method is not material to the financial statements for the years ended June 30, 2024 and 2023.

Functional Expenses

The Organization allocates its expenses on a functional basis among its various programs and supporting services. Expenses that can be identified with a specific program and supporting service are allocated directly according to their nature and expenditure classification.

Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investments

Investments are recorded at fair market value with increases and decreases recognized in the period in which they occur. Fair market value is based on quoted market prices.

Investment income or loss (including realized or unrealized gains and losses on investments and interest and dividends) is included in the change in unrestricted net assets unless the donor restricts the income or loss. Realized gains and losses are determined using the specific identification method.

Fair Value Measurement

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair values for assets and liabilities using one of the following valuation measurements: quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); or significant unobservable inputs (Level 3).

Notes to Consolidated Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

Observable inputs reflect the assumptions market participants would use in pricing an asset or liability developed based on market data obtained from sources independent of the reporting entity, while unobservable inputs reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing an asset or liability developed based on the best information available in the circumstances.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All investments are carried on a recurring basis using a Level 1 valuation technique.

Net Assets

The Organization reports information regarding its financial position and activities based on the existence or absence of external imposed restrictions, according to two classes of net assets: Net assets without donor restrictions and net assets with donor restrictions. Assets accumulated and resources received and expended by the Organization are either without donor restrictions or restricted by the donor for a particular purpose. Net assets with donor restrictions represent contributions to the Organization whose use is limited by donor imposed stipulations that either expire by the passage of time or can be fulfilled by expending the funds for their restricted purpose. The designation of net assets for specific purposes by the Organization itself does not constitute a basis for reclassifying them as net assets with donor restrictions.

Net assets of the Organization and changes therein are classified and reported as follows:

- Net assets without donor restrictions Net assets that are not subject to external imposed restrictions.
- *Net Assets with donor restrictions* Net assets that are subject to external imposed restrictions that may or will be met either by actions of the Organization and/or the passage of time.

Tax Status

The Organization is a not-for-profit corporation and is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code, thus the consolidated financial statements contain no provision for federal or state income taxes. The Organization is not classified as a private foundation.

It is the Organization's policy to evaluate all tax positions to identify any that may be considered uncertain. All identified material tax positions are assessed and measured by a more-likely-than-not threshold to determine if the tax position is uncertain and what, if any, the effect of the uncertain tax position may have on the consolidated financial statements. No material uncertain tax positions were identified for 2024 and 2023.

Notes to Consolidated Financial Statements

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reclassifications

Certain amounts have been reclassified to conform with the current year presentation. These reclassifications did not result in any changes to net assets.

Subsequent Events

The Organization has evaluated events and transactions for potential recognition or disclosure through January 16, 2025, which is the date the consolidated financial statements were available to be issued.

NOTE B - LIQUIDITY AND AVAILABILITY

The Organization has \$1,857,834 of financial assets available within one year of the balance sheet date to meet each cash needs for general expenditures consisting of cash of \$1,099,100, investments of \$603,707, and accounts and grants receivable of \$155,027. \$106,203 of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The Organization has a goal to maintain unrestricted cash on hand to meet 30 days of normal project operating expenses, which are, on average, approximately, \$540,564. Normal project operating expenses include all expenses except for depreciation expense and interest - amortized mortgage issuance costs.

The Organization manages liquidity needed for operations primarily through budgeted monthly cash inflows and outflows. Cash inflows can be easily predicted since they are comprised mostly of rent and subsidy receipts. Cash outflows are planned accordingly so as not to exceed those expected inflows. A minimal amount of excess cash is on hand in the event of unexpected outflows. In addition, the Organization maintains funds in a reserve for replacements for planned property improvements, and may be used only with the approval of HUD.

NOTE C - CASH AND INVESTMENTS

Cash and investments at June 30, 2024 and 2023 consisted of:

	3,736,874	4,284,088
Less mortgage issuance costs, unamortized	28,734	38,629

Current maturities on long-term debt, excluding forgivable debt, at June 30, 2024 are as follows:

3,708,140

4,245,459

2025	\$ 528,743
2026	431,027
2027	153,761
2028	158,427
2029	156,281
Thereafter	 2,837,378
	\$ 4,265,617

Mortgage issuance costs are being amortized to Interest - mortgage issuance costs over the lives of the loans. At June 30, 2024 and 2023, accumulated amortization for mortgage issuance costs was \$123,716 and \$113,951 respectively.

On June 24, 2024, the Organization executed two funding agreements with South Carolina State Housing Finance and Development Authority to develop Pine Wood Homes which will consist of four affordable units in Bamberg County. One funding agreement awarded up to \$609,582 under the Housing Trust Fund Small Rental Development Program which includes a non-interest bearing, forgivable loan of \$341,307 with a twenty year term and a repayable loan of \$268,275 bearing interest of 1% over a thirty year term. The second funding agreement awarded up to \$550,000 under the HOME Investment Partnership Program for a non-interest bearing, forgivable loan with a twenty year term. As of June 30, 2024, no proceeds were received under these funding agreements.

Notes to Consolidated Financial Statements

NOTE J - LINES OF CREDIT

The Organization has two lines of credit with First Citizens Bank, which allow for revolving credit up to \$500,000 each and bear interest at 8.75% at June 30, 2024. The maturity date of the lines of credit is August 15, 2024, at which time any principal and interest will be due. All borrowings are secured by property and improvements of Beech Island, Boundary, Oakland, Denmark Gardens, Bamberg Villa, Hampton, West Main, Barnwell Arms, Litchfield Hampton Gardens, Estill Village, Westside Manor, North, Landmark Towers, Branchville, and Holly Hill Apartments. At June 30, 2024 and 2023, there were outstanding borrowings of \$395,723 and \$273,548, respectively, on these lines of credit. Each line of credit was renewed in August 2024, both of which expire August 15, 2025.

NOTE K - NET ASSETS WITH DONOR RESTRICTION

Net assets with donor restrictions at June 30, 2024 and 2023 are for the following purposes:

	 2024	 2023
Assets For Independence Grant	\$ 69,203	\$ 69,203
CAHEC Open Doors Grant	22,000	25,000
Blight to BRIGHT Program	 15,000	 61,861
	\$ 106,203	\$ 156,064

2024

2022

During the year ended June 30, 2015, the Organization received a grant through the Assets For Independence Demonstration Program from the Department of Health and Human Services in the amount of \$100,000 to help promote savings for home ownership and post-secondary education for income qualified individuals. As a part of the grant agreement, the Organization provided matching funds of \$100,000 to support the program. All expenses must be split between federal and matching funds. At least 85% of the federal and matching grant funds must be provided as matching deposits to Individual Development Accounts ("IDA") of eligible individuals selected by the Organization to participate in the program. During the year ended June 30, 2024, the Organization expended \$0 of the federal grant funds. As of June 30, 2024, the program has ended. No future expenditures are to be expected for this program.

During the year ended June 30, 2023, the Organization received a \$25,000 grant from CAHEC called CAHEC Open Doors Homeownership Grant, which is intended to provide funding for weatherization repairs on owner-occupied homes located in Allendale, Barnwell, Bamberg, and Hampton counties. As of June 30, 2024, \$22,000 of contributions received related to this program remain unspent.

During the year ended June 30, 2023, the Organization participated in a local effort called the Blight Elimination Program. The efforts in this program are to work to eliminate blight in the community by purchasing blighted homes, deconstructing, and repairing homes to make them safe and livable for those in the community. In order to fund this program, the Organization applied for and received several grants. As of June 30, 2024, \$15,000 of contributions received related to this program remain unspent.

Notes to Consolidated Financial Statements

NOTE L - GRANTS AND FEDERAL FUNDS

Grant revenue during the fiscal years 2024 and 2023 consisted of the following:

	2024		2023	
Comprehensive Housing Counseling Grant	\$	22,049	\$	25,528
SCACED Community Economic Development Grant		40,322		-
BRIC Funding		18,577		-
Blight Elimination Program		71,000		18,000
Emergency Rental Assistance		-		100,612
CAHEC Open Doors Grant		-		25,000
Miscellaneous Grants		17,889		132,382
Total grant revenue	\$	169,837	\$	301,522

Section 8 Project-Based Vouchers (MAHRA) Program for Section 8 programs provides for housing assistance payments to private owners of residential units on behalf of eligible low or very low income families. The program provides for such payments with respect to existing and moderately rehabilitated housing covering the difference between the maximum rental on a dwelling unit, and the amount of rent contribution by a participating family and related administrative expense.

HUD contributions for the years ended June 30, 2024 and 2023 were as follows:

	2024	2023
Section 8 Project-Based Vouchers (MAHRA)	\$ 3,321,878	\$ 3,130,185

Rural Development Loans - In 2006, Southeastern Housing and Community Development acquired Deer Run Apartments located in Hardeeville, South Carolina. On January 1, 2022, Southeastern Housing and Community Development acquired Williston Elderly Apartments located in Williston, South Carolina. As part of the acquisition, notes payable, as detailed in Note I, were obtained to provide subsidized acquisition financing under Interest Credit Agreements. For fiscal years ended June 30, 2024 and 2023, the Rural Development loan's interest subsidy was:

		2023	
Interest subsidy - Deer Run	\$	38,266	\$ 38,266
Interest subsidy - Williston Elderly	\$	10,673	\$ 10,673

NOTE M - RELATED PARTY TRANSACTIONS

The Organization contracted with the South Carolina Regional Housing Authority #3 ("Housing Authority"), a South Carolina political subdivision, to manage housing developments owned by the Organization. All such management was conducted pursuant to written contracts. The Housing Authority also provides office space, the cost of which is included in management fees paid to the Housing Authority.

NOTE M - RELATED PARTY TRANSACTIONS (Continued)

The Organization utilizes employees of the Housing Authority. Expenses for the salaries and benefits are reimbursed by the Organization. In prior years, the Organization made a prepayment of salaries and benefits totaling \$119,043 that is included in prepaid expenses. Additionally, the Organization has shared expenses with the Housing Authority for office, insurance and maintenance expenses that are reimbursed by the Organization.

The Organization rents office space at its Landmark property and its Bridge Street property to the Housing Authority.

For fiscal years ended June 30, 2024 and 2023, the related party transactions were:

	2024	2023
Expenses:	 _	
Management fees	\$ 230,445	\$ 284,985
Salaries/benefits, office, insurance and maintenance expenses	1,400,291	1,239,797
Revenues:		
Office rental income	\$ 54,819	\$ 53,075
Construction company income	2,635	13,600
Accounts payable and accrued expenses:		
Management fees	\$ 141,041	\$ 102,971
Salaries/benefits, office, insurance and maintenance expenses	748,428	677,054
Prepaid expenses, salaries/benefits	\$ 119,043	\$ 119,043

The Executive Director of the South Carolina Regional Housing Authority #3 is also the Executive Director of the Southeastern Housing and Community Development. There was no additional compensation paid for this position.

NOTE N - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Organization owns various apartment complexes whose operations are concentrated in the multifamily real estate market. In addition, due to their Section 8 contracts, the apartment complexes operate in a heavily regulated environment. The operations are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD.

NOTE O - LITIGATION AND SUBSEQUENT EVENTS

During the year ended June 30, 2018, the Organization filed a complaint against South Carolina State Housing Finance and Development Authority and South Carolina Housing Corporation related to the Organization's involvement in the Neighborhood Initiative Program. On June 28, 2024, the trial concluded and awarded \$277,297 to the Organization.

Notes to Consolidated Financial Statements

NOTE O - LITIGATION AND SUBSEQUENT EVENTS (Continued)

Subsequently after the year ended June 30, 2024, the Organization filed a motion for attorney's fees and expenses, requesting an award of \$225,498 and a motion for an award of \$160,356 for prejudgment interest. Additionally, the South Carlina Housing Corporation filed a motion for a new trial and requesting the court overturn the verdict including the award of \$277,297 to the Organization. These post trial motions were heard on December 12, 2024 and the parties have until January 25, 2025 to file any orders related to these motions. As of the date the consolidated financial statements were available to be issued, the outcomes of the post trial motions are not known. As of June 30, 2024, the Organization had \$73,283 of accrued legal expenses included in accounts payable and accrued expenses which were paid as of the date the consolidated financial statements were available to be issued.

NOTE P - CONCENTRATIONS, COMMITMENTS AND CONTINGENCIES

The Organization maintains its cash in financial institutions in the United States, insured by the Federal Deposit Insurance Corporation. The Organization from time to time may have amounts on deposit in excess of the insured limits. As of June 30, 2024 and 2023, the Organization exceeded these insured amounts by \$1,073,233 and \$1,494,277, respectively.

Notes to the Schedule of Expenditures of Federal Awards Year Ended June 30, 2024

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Southeastern Housing and Community Development, under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Southeastern Housing and Community Development, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Southeastern Housing and Community Development.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Southeastern Housing and Community Development has elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE C - LOANS OUTSTANDING

Southeastern Housing and Community Development had the following loan balance outstanding as of June 30, 2024:

	Assistance	
	Listing	Amount
Program Title	Number	Outstanding
Rural Rental Housing Loans	10.415	\$ 1,214,283
HOME Investment Partnerships Program	14.239	469,901

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors Southeastern Housing and Community Development Barnwell, South Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Southeastern Housing and Community Development (a nonprofit organization) (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2024, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated January 16, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

brc.cpa

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance For The Major Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors Southeastern Housing and Community Development Barnwell, South Carolina

Report on Compliance for The Major Federal Program

Opinion on Each Major Federal Program

We have audited Southeastern Housing and Community Development's (the "Organization") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2024. Southeastern Housing and Community Development's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Southeastern Housing and Community Development complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2024.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal program.

brc.cpa

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Organization's compliance with the compliance requirements
 referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test and
 report on internal control over compliance in accordance with the Uniform Guidance, but not for
 the purpose of expressing an opinion on the effectiveness of the Organization's internal control
 over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
